

## AUSLAN TO ENGLISH: ENHANCING VOCAL CONTROL

### PRESENTED BY ANNA HRUBY

Effective communication is more than what you say. Vocal delivery is a crucial part of our skill set. Does your voice convey confidence and conviction every time you speak? Or does your voice need strength training? This workshop will focus on this often-overlooked aspect of our job - speaking.

Anna is a highly experienced voiceover artist and is excited to be invited to share her knowledge about voice production. She achieved her accreditation as a para-professional interpreter in 1996.

Anna is also an experienced actress in film, television and theatre and is distinguished by her performances in television series including Home & Away, Prisoner, All Saints and many others.
