A limited number of trade display tables will be available during ANC2026 and will be allocated on a **first-come, first-served basis** upon receipt of completed application forms.

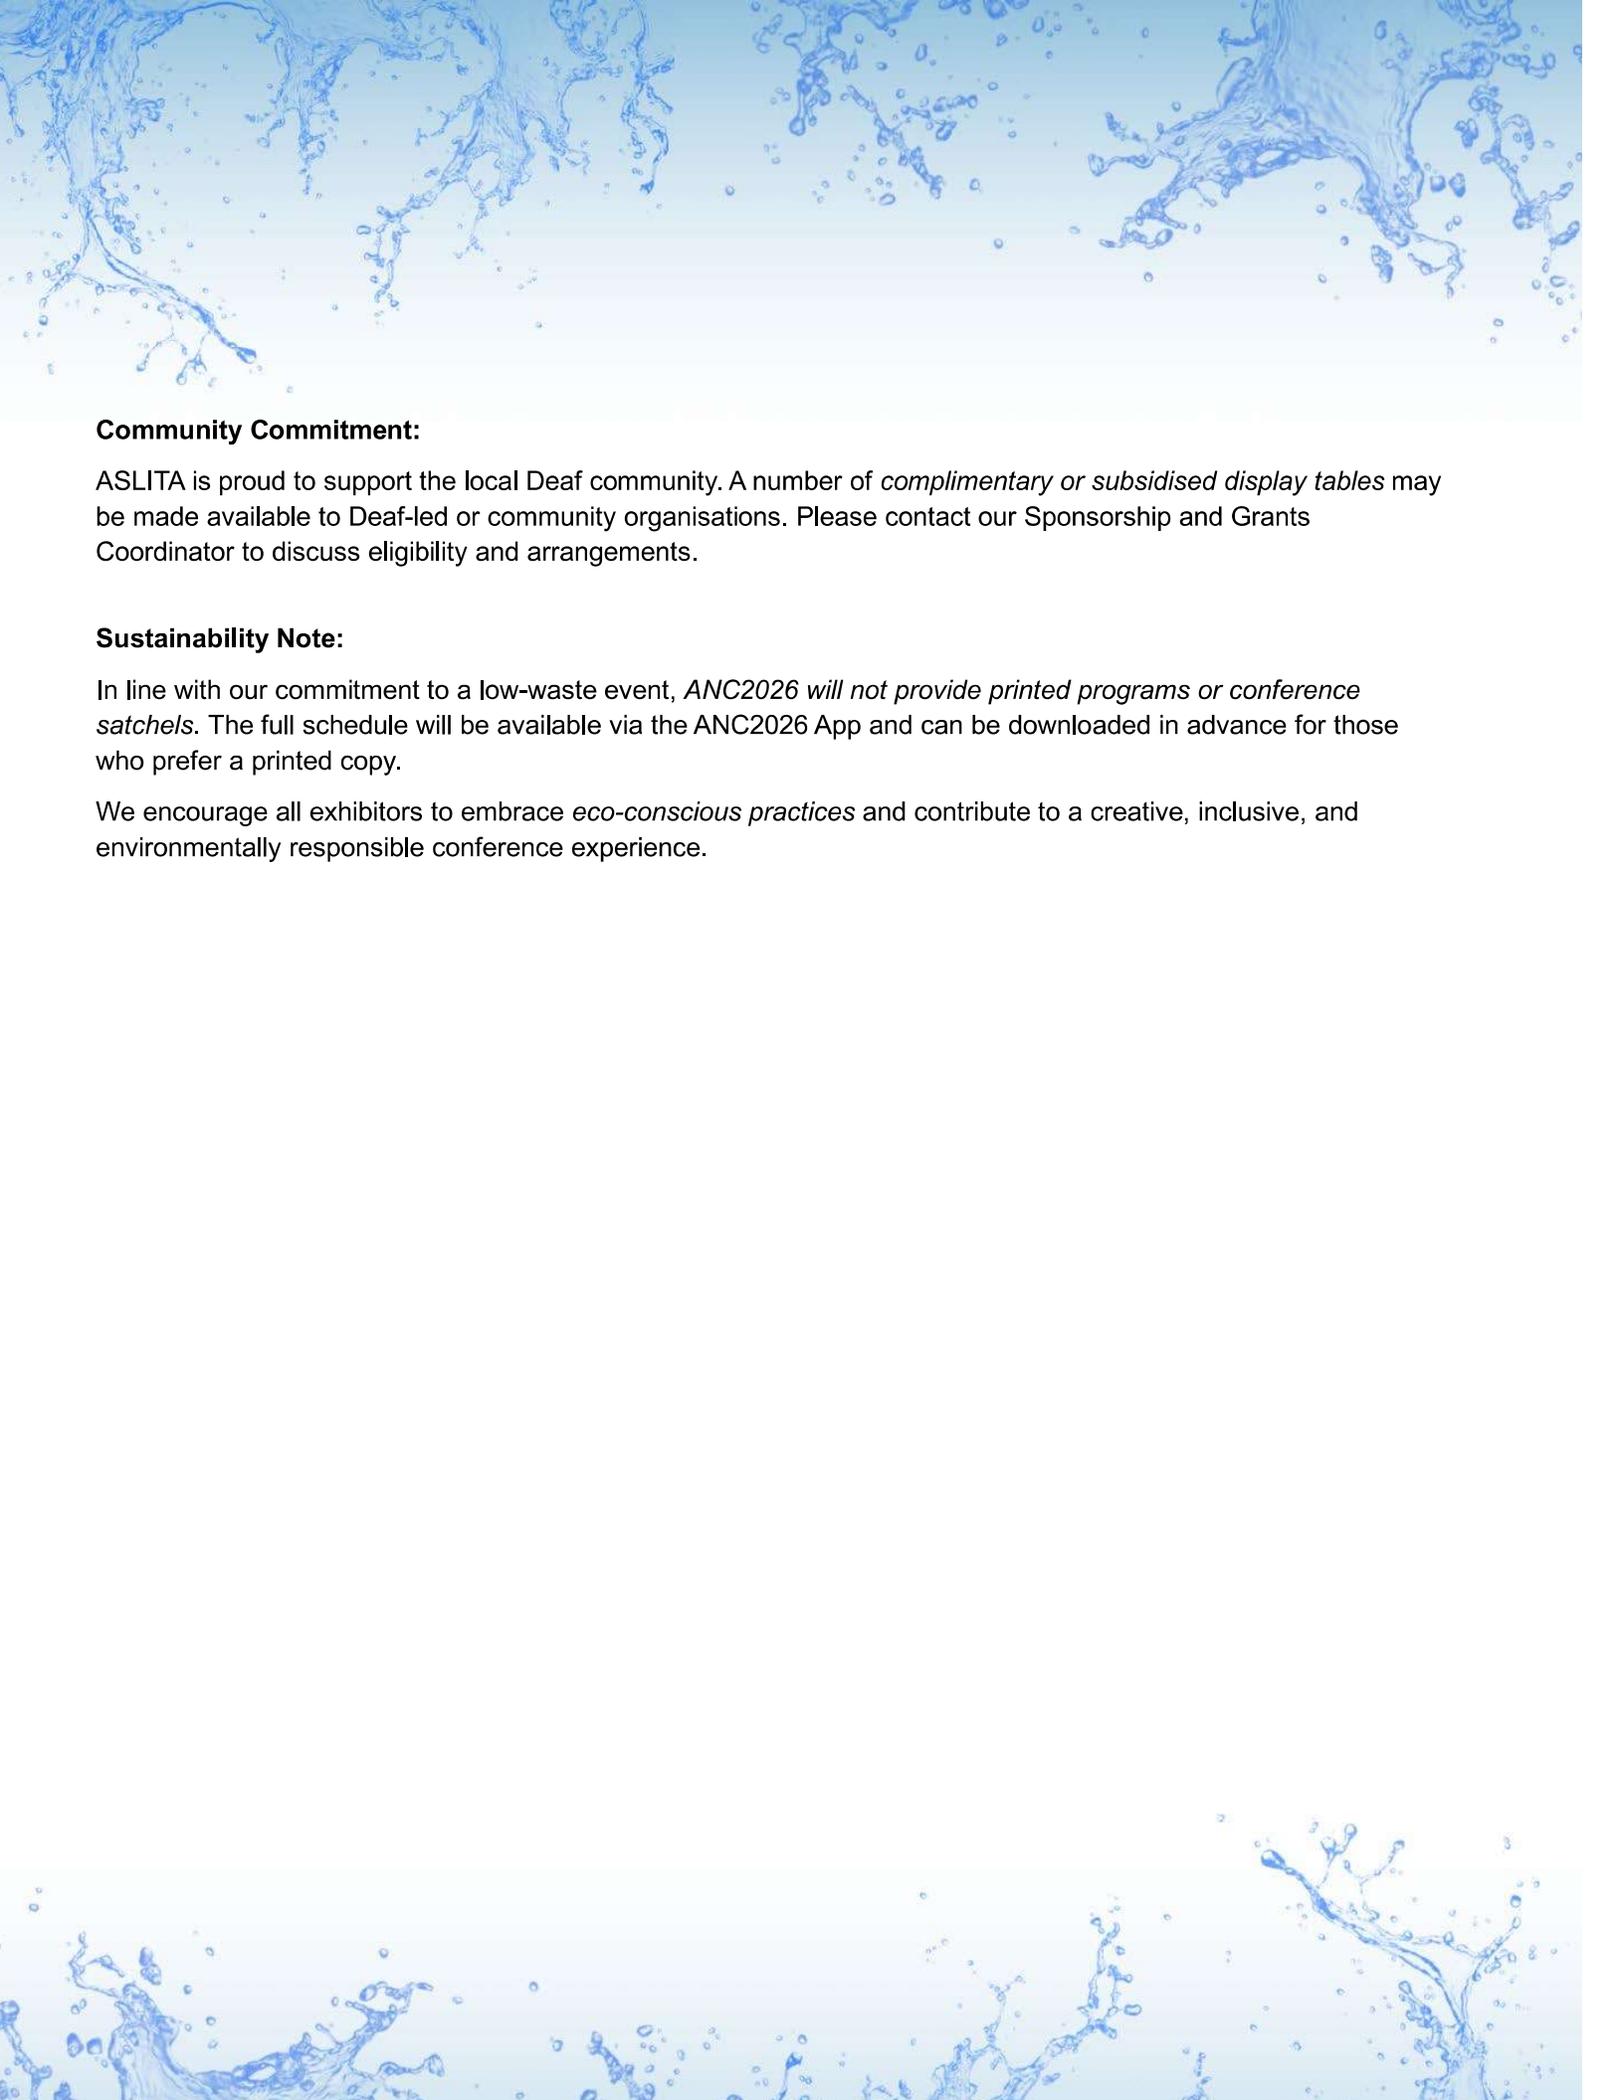

This is a valuable opportunity to connect with delegates in a vibrant, inclusive environment that celebrates innovation, community, and professional excellence.

- Promotion of your organisation on the *ANC2026 website, conference app, and social media* (in line with your package).
- Access for registered display staff to *morning tea, lunch, and afternoon tea*.
- Opportunity to distribute *creative, sustainable promotional materials*.
- Regular announcements encouraging delegates to visit display tables.

### **Terms & Conditions:**

- Display tables are available as part of selected sponsorship packages or as a standalone option.
- Display staff are welcome to engage with delegates at your table but *cannot attend conference sessions* unless separately registered.
- Staff rotation is permitted; however, *all personnel must be registered for catering purposes*.
- Tickets to the *Welcome Reception* and *The Party* can be purchased separately for display staff.
- *Bump-in and bump-out times* will be confirmed closer to the event; tables must be staffed during all sponsored days, with bump-out permitted after Sunday afternoon tea.

The page features a light blue background with a decorative water splash pattern. The splashes are most prominent at the top and bottom edges, with smaller droplets scattered throughout. The water appears to be splashing upwards and outwards, creating a sense of movement and freshness.

### **Community Commitment:**

ASLITA is proud to support the local Deaf community. A number of *complimentary or subsidised display tables* may be made available to Deaf-led or community organisations. Please contact our Sponsorship and Grants Coordinator to discuss eligibility and arrangements.

### **Sustainability Note:**

In line with our commitment to a low-waste event, *ANC2026 will not provide printed programs or conference satchels*. The full schedule will be available via the ANC2026 App and can be downloaded in advance for those who prefer a printed copy.

We encourage all exhibitors to embrace *eco-conscious practices* and contribute to a creative, inclusive, and environmentally responsible conference experience.
